

DDA SUBJECT FILE COPY

DA 88-0600
18 March 1988

MEMORANDUM FOR: Director of Central Intelligence

FROM: Henry P. Mahoney
Acting Deputy Director for Administration

SUBJECT: Weekly Report for Period Ending 18 March 1988

25X1

2. The Integrated Applicant Processing System (IAPS), an automated system which has been in use by the Office of Personnel for field recruiting and central applicant processing, is now operational in the Office of Medical Services and will be extended to the Office of Security. When fully implemented, IAPS will improve processing and tracking of applicants from initial contact through processing and entrance on duty.
